Sucker Moon

The fourth moon of Creation is Sucker Moon, when sucker goes to the Spirit World in order to receive cleansing techniques for this world. When it returns to this realm it purifies a path for the Spirits and cleanses all our water beings. During this time we can learn to become healed healers.

August - Thimbleberry Moon

The eighth moon of Creation is the Thimbleberry Moon, when we honour the Thimbleberry which produces an abundance of fruit once every three years. It was one of the first plants put on Mother Earth, and its purpose is to protect the Sacred Circle of Life by allowing us to recognize and understand the teachings that come from the Spirit World.

July - Raspberry Moon

The seventh moon of Creation is Raspberry Moon, when great changes begin. By learning gentleness and kindness, we may pass through the thorns of its bush and harvest its fruit, knowledge that will help in raising our families.
